Web Development

TASK LIST

In web development, you learn how to build websites and web apps. This includes HTML, CSS, JavaScript, frameworks such as React or Angular, and server-side scripting.

TASK 1

EVENT PLANNING WEBSITE

Create a website for planning and managing events. Include features like event creation, RSVP functionality, and a calendar view. Implement user authentication for event organizers.

TASK 2

SOCIAL MEDIA DASHBOARD

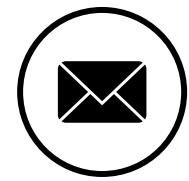

Build a social media dashboard that aggregates content from various social platforms (Twitter, Instagram, etc.) and displays them in a unified interface. Implement user authentication and customizable feeds.

SUBMISSION DETAILS

You will have to provide task submission for each task(weekly task)

It's essential for each intern to complete all the assigned tasks in 3 months. If someone completes only two or three tasks, their internship may be considered incomplete or certificate will not be provided, So Please make sure to fulfill all the tasks assigned to you and submit in Submission form to ensure a successful Internship.
